

# Faith Hill, If This Is The End

Our love's the moon  
Our love's the Kingdom Come  
Our love's the flame  
Our love's his will be done  
Our love's a jewel  
Diamond in the rough  
But you don't want it, you don't want to take  
If this is the end  
I don't want to know, this time  
If this is the end  
I don't want to go, this time  
If this is the end  
Our love is true  
Our love's the rising sun  
Our love's in bloom  
Our love has just begun  
Our love is proof  
Of what was yet to come  
But you don't want it, you don't want to take  
If this is the end  
I don't want to know, this time  
If this is the end  
I don't want to go, this time  
If this is the end  
It was so easy  
We were so young  
It's only natural  
To come undone  
At the end of this evening  
Before the rise of the sun  
You're coming with me, you're coming with me  
If this is the end  
I don't want to know, this time  
If this is the end  
I don't want to go, this time  
If this is the end  
if this is the end  
I don't wanna know  
I just want to you by my side  
If this is the end  
I don't wanna go  
I just want you by my side  
If this is the end
