

Faith Hill, Let's Go To Vegas

Hey baby let's go to Vegas.
Kiss the single life goodbye.
Hey baby let's go to Vegas,
bet on love, and let it ride.
Lyin' on the banks of the river,
stars are dancin', Lord it's hot!
Holdin' you is what I live for.
I just had a crazy thought...
Hey baby let's go to Vegas,
kiss the single life goodbye.
Hey baby let's go to Vegas,
bet on love, and let it ride.
Find a little wedding chapel,
a pair of rings, and a preacher, too.
Underneath the neon steeple
we'll take a gamble and say "I do."
Hey baby let's go to Vegas,
kiss the single life goodbye.
Hey baby let's go to Vegas,
bet on love and let it ride.
Viva Las Vegas!
Sparkle lighs,
dangerous living, tumbling dice.
You're my ace in the hole now, honey,
and I'm your Lady Luck.
Pack a few things and a little money,
and put it in the truck.
Hey baby let's go to Vegas,
kiss the single life goodbye.
Hey baby let's go to Vegas,
bet on love and let it ride.
Viva Las Vegas!
Sparkle lights,
dangerous living, tumbling dice.
You're my ace in the hole now, honey,
and I'm your Lady Luck.
Pack a few things and a little money,
and put it in the truck.
Hey baby let's go to Vegas,
kiss the single life goodbye.
Hey baby let's go to Vegas,
bet on love and let it ride.
Bet on love and let it ride.
Bet on love and let it ride.
