Faith Hill, Let's Make Love

Baby I've been drifting away Dreaming all day Of holidng you Touching you The only thing I want to do Is be with you As close to you As I can be

Let's make love
All night long
Until all our strength is gone
Hold on tight
Just let go
I want to feel you in my soul
Until the sun comes up
Let's make love
Oh, baby

Do you know what you do to me
Everything inside of me
Is wanting you
And needing you
I'm so in love with you
Look in my eyes
Let's get lost tonight
In each other

Let's make love
All night long
Until all our strength is gone
Hold on tight
Just let go
I want to feel you in my soul
Until the sun comes up
Let's make love

Let's make love
All night long
Until all our strength is gone
Hold on tight
Just let go
I want to feel you in my soul
Until the sun comes up
Oh, until the sun comes up
Let's make love

Oh baby, let's make love All night long All night long Let's make love
