

Faith Hill, No Matta What (Party All Night)

Tonight we're gonna hang out
Me and my girls gonna hit a party
Gonna wile out
Manicure, pedicure, so we look tight
And there's just enough money for the night out
So now it's time we go hop up in the 6-4
Drop top down headed for the disco
Maybe we might catch some guys eyes
If we don't, we don't care, cuz we still
Gonna have a good time
It's friday night, got visions in my head
But Nothin' on mind, so let the music play
So let me hear you say
Aaa Ohh Aaa Ohh
We gonna have some fun
Aaa Ohh Aaa Ohh
Party all night
Aaa Ohh Aaa Ohh
That's all we think about
Aaa Ohh Aaa Ohh
No matta what's going down
AO AO
No matta what's going down
AO AO
We gonna do this anyhow
AO AO
No matta what's going down
AO AO
We gonna do this anyhow
We pull up in the valet
We turning heads like a Hummer on the freeway
We grace threw crowd eyeson us
People st-st-stutterin' sayin' hey who are they
Wall to wall, back to back packed so tight
But VIP is where is where we kick it for the whole night
I be watching these guys peeping us out
But they faking, and they scared We don't care
w gonna have a good time
It's friday night, got visions in my head
But Nothin' on mind, so let the music play
So let me hear you say
Aaa Ohh Aaa Ohh
We gonna have some fun
Aaa Ohh Aaa Ohh
Party all night
Aaa Ohh Aaa Ohh
That's all we think about
Aaa Ohh Aaa Ohh
