

Faith Hill, Somewhere down the road

So much pain and no good reason why
Cried until the tears run dry
And nothing else can make you understand
The one thing that you held so dear
Is slipping from your hand
And you say...

Why, why, why does it go this way
And why, why, why and all I can say is
Somewhere down the road
There'll be answers to the questions
Somewhere down the road
Though we cannot see it now
And somewhere down the road
You will find mighty arms reaching for you
And they will have the answers
At the end of the road, ooh, ooh
Yesterday I thought I'd seen it all
I thought I climbed the highest wall
Now I see the learning never ends
And all I know to do is keep on walking
'Round the bend
Singing....

Why, why, why does it go this way
Why, why, why and all I can say is
Somewhere down the road
There'll be answers to the questions
Somewhere down the road
Though we cannot see it now
And somewhere down the road
You will find mighty arms reaching for you
And they will hold the answers
At the end of the road
Somewhere, somewhere down
Somewhere down the road
There'll be answers to the questions
Somewhere down the road
Though we cannot see it now
And somewhere down the road
You will find mighty arms reaching for you
And they will have the answers
At the end of the road
They will have the answers
At the end of the road, yeah
Somewhere down the road (ooh, ooh)
Somewhere, somewhere, ooh
Somewhere, somewhere
Somewhere down the road
Why, why, why
Mighty arms reaching
Down the road
Somewhere, somewhere, somewhere, ooh
