

Faith Hill, That's How Love Moves You

Its such a mystery
How you found something in me
That I never knew was there
But you uncovered it so easily
You turned me like a season
And I began to change
Since you wrapped your arms around me
Know I've never been the same, 'cause

Chorus:

Thats how love works
Thats how love moves
Like a river running through you
Sometimes it lifts you high as heaven
It consumes you
That's a given
Thats how love moves
I've seen walls that could never be broken
Come tumbling down
I've heard the voice of a love calling
Without making a sound
See I was touched by an angel
The day you took my hand
You know that you're the miracle
That makes me everything I am
(Chorus)
