

# Faith Hill, Unsaveable

love so cruel

Yeah that's all that I got from you

Tell me what in the world could I do

But leave after all that you've done to me

Now it's so easy to say I'm over you

Chorus:

'Cause baby I cried a little too hard, a little too long

What I thought was right was way too wrong

and too far gone

I can't bring back the love

there just ain't enough

available, impossible, unsaveable

Here you come tryin' to make up for what you've done

It's too late to say you're sorry now

Now it's your turn

you can't cross that bridge you've burned

You're on your own

When will you learn

Chorus

love

There's someone out there for me

Who thinks I'm beautiful

I've got to go
