

Faith Hill, You're Still Here

Thought I saw you today, you were standing
in the sun and you turned away,
and I knew it couldn't be but my heart believed.
Oh it seems like there is something every day.
How could you be so far away, when you're still here.
When I need you you're not hard to find.
You're still here. I can see you in my baby's eyes,
and the laugh and cry. You're still here.
I had a dream last night. That you came to me on silver wings
and light and I flew away with you in painless sky
and I woke up wondering what was real.
Is it what you see and touch or what you feel.
Cause you're still here. Oh you're everywhere we've ever been.
Oh you're still here. I heard you in a stranger's laugh,
and I hung around to hear him laugh again. Just once again.
Oh thought I saw you today, you were standing in the sun
and you turned away. Ohh awayyy..
