

# Faith No More, Glory Box

Glory Box

I'm so tired of playing,  
Playing with this bow and arrow,  
Gonna give my heart away,  
Leave it to the other girls to play.  
For I've been a tempteress too long,

CHORUS:

Oh yeah,  
Give me a reason to love you,  
Give me a reason to be a woman,  
I just want to be a woman  
From this time unchained,  
Were all looking at a different picture,  
Through this new frame of mind,  
A thousand flowers could bloom,  
Move over and give us some room

CHORUS

So don't you stop being a man,  
Just take a little look from outside when you can,  
Sow a little a tenderness,  
No matter if you cry

CHORUS

{Its all I want to be, a woman},  
So I just want to be a woman,  
For this is the beginning of forever and ever,  
Its time to move over now,  
{So I want to be}  
Back to start again and fades
