

Faith No More, I Wanna' Fuck Myself

I pull my pud untill it bleeds
I masturbate on toiletseats
Girls cant give me the satisfaction
I f**k my fist to the rage of passion
I wanna f**k myself
I wanna f**k myself
I wanna f**k myself
I wanna f**k myself
F**k myself (I just love myself)
I wanna f**k myself (and noone else)
I like the way it fits in my hand
Feel the cock to my burning head
I like to fly on my chest
I f**k myself cause Im the best
I love myself
I wanna f**k myself
I beat myself untill Im raw
Come and come 'till there's no more
My hand is my favorite whore
Stick my fingers up my ass, feel it some more.
