

# Faith No More, Ugly In The Morning

You did one thing wrong  
You woke up.  
You look better before  
More - more

And the stomach turns...  
Say nothing without wasting a work  
I know exactly what you meant

I know how piggy feels  
He starves without missing a meal  
Look in the mirror...

Don't look at me-  
I'm ugly in the morning

When the headaches gone  
The sun is not.  
Forgot to turn the alarm  
On - on

Doesn't matter how much you think  
Or the number of hairs in the sink  
I did it to myself again

I know how piggy feels  
He starves without missing a meal  
It's getting clearer

Don't look at me-  
I'm ugly in the morning
