

Faith No More, Ugly In The Morning

You did one thing wrong
You woke up.
You look better before
More - more

And the stomach turns...
Say nothing without wasting a work
I know exactly what you meant

I know how piggy feels
He starves without missing a meal
Look in the mirror...

Don't look at me-
I'm ugly in the morning

When the headaches gone
The sun is not.
Forgot to turn the alarm
On - on

Doesn't matter how much you think
Or the number of hairs in the sink
I did it to myself again

I know how piggy feels
He starves without missing a meal
It's getting clearer

Don't look at me-
I'm ugly in the morning
