## Faith No More, War Pigs

Generals gathered in their masses Just like witches at black masses Evil minds that plot destruction Sorcerers of death's construction In the fields are bodies burning As the war machine keeps turning Death and hatred to mankind Poisoning their brainwashed minds, Oh Lord yeah Politicians hide themselves away They only started the war Why should they go out to fight They leave that all to the poor Time will tell on their power minds Making war just for fun Treating people just like pawns in chess Wait til the judgement day comes Now in darkness world stops turning As you hear the bodies burning No more warpigs have the power And as God has struck the hour Day of judgement, God is calling On their knees the warpigs crawling Begging mercy for their sins Satan laughing spreads his wings, Oh Lord yeah
