

# Faith No More, We Care A Lot

We care a lot  
About disasters, fires, floods and killer bees  
About Los Angeles falling in the sea  
About starvation and the food that Live Aid bought  
About disease, baby, Rock Hudson, Rock...Yeah!

We care a lot  
About the gamblers and the pushers and the freaks  
About the people who live off the street  
About the welfare of all the boys and girls  
About you people cause we're out to save the world

Yeah!

And it's a dirty job but someone's got to do it!

We care a lot  
About the Army, Navy, Air Force, and Marines  
About the NY, SF, and LAPD  
About you people, about your guns  
About the wars you're fighting  
Gee, that looks like fun

We care a lot  
About the Cabbage Patch, The Smurfs, and DMC  
About Madonna and we cop for Mr.T  
About the little things, the bigger things we top  
About you people, yeah, you bet we care a lot

And it's a dirty job but someone's gotta do it....
