

Faithiles feat Nina Simone, I want more Pt.1

I want more
I want some
And then some
And do you know what I wanna hear?
I want more
I want some more
And then some
I want more (3x)
You know how I love that stuff
I want more (3x)
[Maxi Jazz]
I want more
[Nina Simone]
I want more
The waiting's been so long, so long.
I want more
Been so long
[Maxi Jazz]
I want more
More oneness, less categories,
Open hearts, no strategies.
Decisions based upon faith and not fear.
People live right now and right here.
I want the wisdom that wise men revere.
[Maxi Jazz & Nina Simone]
I want more (4x)
