

# Faithless, Flowerstand Man (Matty's Remix)

Dido:

'bout a month ago,  
I've never seen your face,  
I've never heard your voice,  
'bout a month ago.

I'm a careful hunter,  
and I have to say,  
before I found your love,  
'bout a month ago.

For you my boy are the flowerstand man,  
you brought such color to this place.  
For you my boy are the flowerstand man,  
with you I lay back.

I don't care if every river runs so dry,  
I don't care if every species words and die,  
I don't care about the {?},  
I wouldn't notice if it wasn't there,  
Oh no...

I don't care if we sell, go to Africa,  
I don't care about a part tie,  
I wouldn't notice if the park get better,  
I don't care about the stuffen who've die.

Oh my boy when, oh, when you live in me,  
I don't care 'bout anything but you.  
Oh my boy when, oh, when you live in me,  
I don't care 'bout anything but you.  
Take me home... (3x)
