

# Faithless, I Want More - Pt 2

[Nina Simone]

I want more

I want some

And then some

And do you know what I wanna hear?

I want more

I want some more

And then some

I want more (3x)

You know how I love that stuff

I want more (3x)

[Maxi Jazz]

I want more

[Nina Simone]

I want more

The waitin's been so long, so long

I want more

Been so long

[Maxi Jazz]

I want more

More oneness, less categories

Open hearts, no strategies

Decisions based upon faith and not fear

People live right now and right here

I want the wisdom that wise men revere

[Maxi Jazz & Nina Simone]

I want more

I want more

I want more

I want more
