

Faithless, Insomnia (Monster Remix)

I only smoke weed when I need to
and I need to get some rest
yo wheres the sex
I confess
I burned a hole in my mattress yes yes
it was me, I plead guilty
and at the count of three
I pulled back the duvet
make my way to the refridgerator
one dry potato inside
no lie not even bread, jam
when the light above my head went bam!
I can't sleep, something's all over me, greasy
Insomnia, please release me and let me dream about making mad love on the heath,
tearing off tights with my teeth
but there's no relief, I'm wide awake in my kitchen
It's black and I'm lonely
Oh if I could only get some sleep
Creaky noises make my skin creep
I need to get some sleep
I cant get no sleep.
