

Fake Id, Six Ways From Sunday

We never mentioned this part
the first time you asked me to call
you didn't say you'd stop hanging out so soon
and i wish i wasn't such a bore
you never said it'd be this tough to forget that you existed

so lets get on the highway
drive thru this town at 80
cause i wanna, just get away

i must of missed it when you told me i'd be up late nights wondering
where was I? I guess not around, just like you.

so lets get on the highway
drive thru this town at 80
cause i wanna, just get away
hopefully someday we'll find a better answer than maybe
but its tough to say just wanna get away

Get away, get away, get away
get away, get away

so lets get on the highway
drive thru this town at 80
cause i wanna, just get away
hpoefully someday we'll find a better answer than maybe
but its tough to say just wanna get away
