

# Faker, Enough

Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do

Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do  
Do-do-do-do-do-do-do

You see, I told you  
I've had enough  
Yeah, I made this  
I, I, I can break it off

Yeah, she speaks  
You lap it up  
Yeah, I cired  
You beat me up

Oh, Bang to rites  
It's alright  
You live your life in a hurricane  
We get off  
In a loaded hive  
We get it up  
But we're not the same  
It's this again  
And again and again and again and again!

You see, I told you!  
I've had enough!  
Yeah, I made this  
I can break it off..

You know, I don't know  
Is this where you go home?  
In your Soho, you live like a yo-yo  
Is where you died?  
No, no, no, no  
Is where you died?

Oh no!

Get up, get off  
Enough is, enough is enough  
Enough is enough  
Enough is enough!
