

Faker, Volumes

Compared to sound,
you win hands down.
The state you're in speaks volumes,
about what I've found.
You're right,
I'm right,
we're right,
you're right.

We're right,
I'm right,
you're right,
we're right.

Compared to sound,
I win hands down.
The state I'm in speaks volumes,
about what I've found.
You're right,
I'm right,
we're right,
yeah you're right.

we're right,
I'm right,
you're right,
we're right.

You're right,
I can not feel a thing.
