

Falco, Time

Does anybody really know, what time it is?

Alles sucht Vernderung
Und sucht das schnelle Glck
Jeder will nach vorne heute,
Niemand will zurck
Keiner hat zu wenig,
Doch auch selten mal genug
We wanna change our face,
Our name, our look
Business Manifestos, s
schedules, you and me
The reason all behind
Is jah you know,
It's clear to see
The changes are
The magic words we are talking about
Change, change work it all out

Oh, oh, oh it's all up to you?
And the boys are singing
Oh, oh, oh
What'ya gonna do?

Nothing cause
TIME changes the world
TIME changes the game
TIME changes the fame
Time, time, time, time
Technokraten in their ivory tower
Warten stndlich for the golden shower
Ganz im Zeichen der neuen Ordnung
Erstellt man tglich eine neue Forderung

Ungeachtet subersiver Perspectktiven
Stellt man tglich neue Direktiven
Spring auf mich, wir schweigen uns Wund
Denn heiss ist das Eis und das wei dein Mund

Oh, oh, oh it's all up to you?
And the boys are singing
Oh, oh, oh
What'ya gonna do?

Nothing cause
TIME changes the world
TIME changes the game
TIME changes the fame
Time, time, time, time
TIME changes the world
TIME changes the game
TIME changes the fame
Time, time, time, time
