

# Fall Out Boy, Love Will Tear Us Apart (Joy Division)

When the routine bites hard and ambitions are low  
And the resentment rides high but emotions won't go  
And we're changing our ways taking different roads

Love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again

Why is the bedroom so cold, turned away on your side?  
Is my timing that flawed, our respect run so dry?  
Yet there's still this appeal that we've kept through our lives

Love, love will tear us apart again  
Love, love will tear us apart again  
And love, love will tear us apart again  
Love, love will tear us apart again

Do you cry out in your sleep? All my feelings exposed  
Care to taste in my mouth as desperation takes hold  
Is it something so good? Just can't function no more

And love, love will tear us apart again  
Love, love will tear us apart again  
And love, love will tear us apart again  
Love, love will tear us apart again

Love, love will tear us apart again  
Love, love will tear us apart again  
Love, love will tear us apart again.
