

Fall Out Boy, My Heart Is The Worst Kind Of Weapon

Spent most of last night dragging this lake
For the corpses of all my past mistakes
Sell me out, the jokes on you
We are salt and you are the wound

Empty another bottle and let me tear you to pieces
This is me wishing you into the worst situations
I'm the kind of kid that can't let anything go
So you wouldn't know a good thing if it came up and slit your throat

Your remorse hasn't fallen on deaf ears, rather ones that just don't care
Because I know that you're in between arms somewhere
Next to heartbeats where you shouldn't dare sleep
Now I'll teach you a lesson for keeping secrets from me

Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while

Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while

And did you hear the news?
I could dissect you and gut you on this stage
Not as eloquent as I may have imagined
But it will get the job done, you're done

Every line is plotted and designed
To leave you standing on your bedroom window's ledge
And everyone else that it hits, that it gets to
Is nothing more than collateral damage

Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while

Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while.
