

Fall Out Boy, Pretty In Punk

Walking off that stage tonight
I know what you're thinking, yeah
"He stands alone because he's high on himself"
But if you only knew...

I was terrified, and would you mind if I sat next to you and watched you smile?
So many kids, but I only see you, and I don't think you notice me, well
I've seen your boyfriend, and I don't think he treats you right
But that's none of my business, is it?

I'm not the way you think I am, no
I'm not the way you think I am, no

The only girl who ever gave me the time
Was the one who only wanted five minutes of mine
Knocking boots in the back, how degrading is that?
I decline

I'm still terrified, and would you mind if I sat next to you and watched you smile?
So many kids, but I only see you, and I don't think you notice me, well
I've seen your boyfriend, and I don't think he treats you right
But that's none of my business, is it?

I'm not the way you think I am, no
I'm not the way you think I am, no

I'm not the way you think I am, no
I'm not the way you think I am, no
I'm not the way you think I am, no (no, no, no, no)
I'm not the way you think I am, no (no, no, no, no)
I'm not the way you think I am, no
I'm not the way you think I am, no, no
