

# Fall Out Boy, The Phoenix

Put on your war paint

You are a brick tied to me that's dragging me down  
Strike a match and I'll burn you to the ground  
We are the jack-o-lanterns in July  
Setting fire to the sky  
Here, here comes this rising tide so come on

Put on your war paint

Cross walks and crossed hearts and hope to die  
Seal the clouds with grey lining

So we can take the world back from a heart attack  
One maniac at a time we will take it back  
You know time crawls on when you're waiting for the song to start  
So dance along to the beat of your heart

Hey Youngblood doesn't it feel like our time is running out  
I'm going to change you like a remix  
Then I'll raise you like a phoenix  
Wearing all vintage misery  
No I think it looked a little better on me  
I'm going to change you like a remix  
Then I'll raise you like a phoenix  
Bring home the boys in scraps  
Scrap metal the tanks  
Get hitched make a career out of robbing banks  
Because the world is just a teller and we are wearing black  
She broke our spirits with no impact

So we can take the world back from a heart attack  
One maniac at a time we will take it back  
You know time crawls on when you're waiting for the song to start  
So dance along to the beat of your heart

Hey Youngblood doesn't it feel like our time is running out  
I'm going to change you like a remix  
Then I'll raise you like a phoenix  
Wearing all vintage misery  
No I think it looked a little better on me  
I'm going to change you like a remix  
Then I'll raise you like a phoenix

Put on your war paint

The war is won before it's begun  
Release the doves  
Surrender love
