

Fall Out Boy, World's Not Waiting (For Five Tired

This might just be a waste of time
But there's no one I'd rather waste
My time with than all my best friends
So start that car up

We'll all take turns, but not for the worst
We're all has-beens and never-weres
And we're all in the back singing "Roxanne"
Just watching life pass us by, pass us by

As if we cared enough to try to catch up
Enough to make up for lost time
Enough to make up for lost time, yeah

We've been down, we've been out, we've been hanging around
Tip your glasses to no direction, yeah
Start the van, get me out of this one horse town
Waste this night

Whoo!

We've been down, we've been out, we've been hanging around
Tip your glasses to no direction, yeah
Start the van, get me out of this one horse town
Waste this night, waste this night

We've been down, we've been out, we've been hanging around
Tip your glasses to no direction, yeah
Start the van, get me out of this one horse town
Waste this night
