

Falling Up, Contact (Complexus)

Runaway, runaway
Breathe this in
The water's wait, water's wait
Wide awake, wide awake
Breathe this in
The water's wait, water's wait
Asking if you are

Erased, everything within you will feel
Erased now

Everyday, everyday
Houses full of no escape, no escape
Runaway, runaway
It starts to pull
He's in this place, in this place
To question who you are

Erased, everything within you will feel
Erased now

Who am I?
Now who am I?
I will fade

Erased, everything within you will feel
Erased now

Who am I?
Everything within you will feel
Now who am I?
Everything within you will feel

Erased now
