

Fame Academy, Fall At Your Feet

Whenever I fall at your feet
You let your tears rain down in me
Whenever I touch your slow turning pain

You're hiding from me now
There's something in the way that you're talking
The words don't sound right
And I hear them all moving inside you
Let it go
I'll be waiting when you call

Hey, whenever I fall at your feet
You let your tears rain down on me
Whenever I touch your slow turning pain
The finger of blame has turned upon itself
And I'm more than willing to offer myself
Do you want my presence or need my help?
Who knows where that might lead?
The finger of blame has turned upon itself
And I'm more than willing to offer myself
Do you want my presence or need my help?
Who knows where that might lead?

Repeat chorus

I fall
