

Fame Factory, A Little Too Much - Carola Sz

A little too much

When you're near me I can feel it
From my head unto my toes
Woah, Oh
Oh, you remind me of a movie
And i'm the girl you comes to know
Woah, Oh

I'm all familiar with the looks you give me baby
It makes me nervous
And it drives me crazy
It's getting stronger 'cause I know I want your love
Aha,
A little too much

Ref.
Can't you see I wanna get
Some love frome you honey
Can't you see I'm looking for
Some physical touch
Can't you see you make me dizzy
Baby, aint it funny
The fact that I am loving you
A little
Hoo, a little to much

Hey a little to much

If I knew I had you baby
I would'nt know just what to say
He, He Hey
I'll be a fool and I would lose it
But, boy I want you anyway

I'm all familiar with the looks you give me baby (ahooh)
It makes me nervous
And it drives me crazy
It's getting stronger 'cause I know I want your love
Aha,
A little too much

Ref.
Can't you see I wanna get
Some love frome you honey
Can't you see I'm looking for
Some physical touch
Can't you see you make me dizzy
Baby, aint it funny
The fact that I am loving you
A little
Aoh, a little to much

Yeah a little too much

Can't you see I wanna get some love
And baby, I wanna give some physical touch
Can't you see you make me dizzy
And aint it funny
The fact that I am loving you
A little too much

A little too much

Ref.
Can't you see I wanna get
Some love from you honey
Can't you see I'm looking for
Some physical touch
Can't you see you make me dizzy
Baby, aint it funny
The fact that I am loving you
A little too much

(Can't you see I wanna get som love from you honey)
Can't you see I'm looking for some physical touch
Can't you see you make me dizzy

Yeah, Yeah, Yeah

A little too much, too much
A little too much
