

Fame Factory, Catch Your Latar Boy-Pauline H

You think you got it go away
everything is under control
everything is going right
I think you gotta lose it
but wait untill tonight
then you will turn up the light

You don't have to come to me
'Cause I, see you in your dreams boy
dont stay up and wait for me tonight
catch your later boy
dont you wanna get with me
I catch your later boy
you dont see the getters for me
catch your later boy
i'll see you in your dreams boy

Why dont you call me lose?
I really need to coase
so why you boog it for?
but they say the love is blind
but I'm not that kind
so do i have to say on your mind

You don't have to come to me
'Cause I, see you in your dreams boy
dont stay up and wait for me tonight
catch your later boy
dont you wanna get with me
I catch your later boy
you dont see the getters for me
catch your later boy
I'll see you in your dreams boy

You want tell me the fill the way you do
I treid so long
I have to go so want you means to me

Dont stay up and wait for me
catch your later boy
dont you wanna get with me
catch your later boy
you dont see the getters for me
catch your later boy
I'll see you in your dreams boy

Dont stay up and wait for me
catch your later boy
dont you wanna get with me
catch your later boy
you dont see the getters
catch your later boy
see you in your dreams boy
