

Fame Factory, Don't Do Me Like That

If you wanna do me, don't do me like that
If you wanna kiss me, don't kiss me like that
If you wanna feel me, don't feel me like that
If you want the real me don't treat me like that

If you wanna rock me, don't rock me like that
If you wanna shock me, don't shock me like that
If you wanna feel me, don't do it like that
If you want the real me don't do it like that

I want the real thing

Hey You, I don't need another fake
It's true, come and give me a brake
Hey You, I don't need another brat
So next time, don't do me like, don't do me like that

If you wanna call me, don't call me like that
If you wanna move me, don't move me like that
If you wanna feel me, don't feel me like that
If you want the real me don't do it like

I want the real thing

Hey You, I don't need another fake
It's true, come and give me a brake
Hey You, I don't need another brat
So next time, don't do me like that

If you wanna cheat me darling, just
If you wanna beat me, don't do it
If you wanna, wanna be with me

Hey You, I don't need another fake
It's true, come and give me a brake

Hey You, I don't need another fake
It's true, come and give me a brake
Hey You, I don't need another brat
So that's true, don't do me like that

Hey You, I don't need another fake
It's true, come and give me a brake
Hey You, I don't need another brat
So next time
Don't do me like, don't do me like, don't do me like that

Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that
Don't do me like that
