Fame Factory, Jump Around - Moduphe Sowe

Jump around, Jump around Are you ready? Jump around all night long Jump around, Jump around 'Til the sun goes up

We're going where the sun's shining Where the water is flushing Semester!

Jump around, Jump around Jump around all night long Jump around, Jump around

I see your beauty across the sky It fills my heart with joy for love That's what you set away for tonight Are we done so wait into the light

Ref.

Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

The sound of music fills the air I hook up people hiding from I finally swing along with the wind Are we done so wait into the night

Ref.

Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump around Are you ready? Move it!

Up, down move under you go left right

Shall you be rady to dance? Shall you be ready to dance?

One to the left, one to the side One to the right, one back on time Sometime it fills a blue sky I feel I'm getting back right on time

Ref. Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump, Jump, Jump, Jump, Jump

Ref. Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump around, Jump around Jump around all night long Jump around, Jump around 'Til the sun goes up

Jump around, Jump around
