Fame Factory, Karl Martindahl - Call You

"It feels like a thounder evereyday
when you're around but i don't know how to say
OoOo Babe, tell me what i've got to do
and I can see the lightning, in your eyes
I wanna hold you tight trough the sunrise
OoOo Babe. Tell me what i've got to do
Hey Hey Hey
And I Be There to please you
If you only call my name
and I have got this feeling
that someday you'll feel the same

I'm gonna Call you when your lonely
I'm gonna call you everyday
Say the words that you want to hear
It's a game for two, that I want to play

I've got a hole lot of loving
I'm gonna give it all to you
Never stop, No I wan't give up
'till our love comes true

And it feels like magic, same to you
But when you smile, I'm smiling too
OoOo Babe, Tell me what I got to do
Hey Hey Heey
The words I say I mean them all
I'm speaking from my heart
And if it was for me to chose
We never 'part
NoNoNoNoNo

I'm gonna Call you when your lonely
I'm gonna call you everyday
Say the words that you want to hear
It's a game for two, that I want to play

I've got a hole lot of loving
I'm gonna give it all to you
Never stop, No I wan't give up
'till our love coms true

And when your weary
When your cold I'll hoold you
Then you will see
Just what you mean to me

yeah yeah yeah
I'm gonna Call you when your lonely
I'm gonna call you everyday
Say the words that you want to hear
It's a game for two, that I want to play

I've got a hole lot of loving
I'm gonna give it all to you
Never stop, No I wan't give up
'till our love comes, love comes true
