

# Fame Factory, Let It Be Me (Patrik Rasmussen)

I bless the day I found you  
I want to stay around you  
And so I beg you  
Let it be me

Don't take this heaven from one  
If you must cling to someone  
Now and forever  
Let it be me

Each time we meet love  
I find complete love  
Without your sweet love  
What would life be

So never ever leave me lonely  
Tell me you'll love me only  
And then you'll always  
Let it be me

To you i'll praying  
hear what i'm saying  
please let your heart beat for me, for me just for me

Don't take this heaven from one  
If you must cling to someone  
Now and forever, now and for ever, now and forever, let it, let it, let it,  
ooh,  
Let it be me
