

Fame Factory, Let Me Love You (Johan Becker)

There's a full moon out tonight.
There's a feeling of love, when you touch me.
And I hope I get this right.
Hope that you can make sense out of something.
Help me make you see, what tonight could be.

Let me love you, from the bottom of my heart.
Let me love you, 'til all the stars surrender, to the dark.
And though words sometimes fail me, I just wanna say;
nothing or no one's ever touched me this way.
Let me love you, from the bottom of my heart.

I was thinking it's too late,
I was walking through life without living
Then you came and showed the way.
And you gave me a whole new beginning.
Baby, make this night, the first day of the rest of our lives.

Let me love you, from the bottom of my heart.
Let me love you, 'til all the stars surrender, to the dark.
And though words sometimes fail me, I just wanna say;
nothing or no one's ever touched me this way.
Let me love you, from the bottom of my heart.
