

# Fame Factory, Sending Out A Mms - Fame

Here we go again  
I've got your number  
The way add  
Get back to me  
All right

I'm about to know my fuse  
Cause you never replied  
And I'm sure you squired my number  
I did never reason why

Twelve topical you date  
Are you doing this for spite?  
Girl, way do you leave your number?  
If your not around for me, tonight.  
I've godda get through

You can hit it if you wanna

REF:  
Sending out a MMS  
Plain me that I know you got it  
Do you only way do witch best  
What's on your mind? I need connection  
Sending out a mms  
Touch me on I know you want it  
My message for you  
You can hit it if you wanna

You got my number, come on

First at way that I'm the net  
Work took it out on my phone  
Is it mightier petition?  
That something here is wrong

It's good and kind of desperate  
Girl, I have to admit  
This will be my last item  
Better make it through a night when it's mid  
My message for you

You can hit it if you wanna

REF:

You got my number, come on

I'm gonna say it all  
Wishing impossible  
We dial while sell our to find you  
I got your number but  
Where you at  
My mean, walks is a booth  
But you don't call back  
We got it on at the party  
Yeah, we knock the boot  
Like a hit-and-run episode of simple soothe  
My reposing girl don't try to resist  
I got wells on my back  
Would you top of my list

Dial you up again, but I  
Couldn't get to you, so I

Waited on the phone, when I  
Didn't get throw  
( X 2 )

REF: (to he end)

Sending out a MMS
