

# Fame Factory, Walking On The Wild Side (Martin Nilsson)

I work hard every night and day  
Got my bills and I try to pay  
All i'm looking for is just a break  
make no misstake.

I try so hard just to care for you  
and i sware that i'm allways true  
all I know i'm a working man  
and I know i do the best i can

Walking on the Wild side  
that is for the rich folks  
I'm just an honest working man  
Walking on the wild side  
heard it on the radio  
some guys sang it loud and clear  
but the only thing I wish is you.

Cause I long for you day and night  
and I want you to hold me tight  
wanna lay in your arms again  
get rid of the pain

In my poor and aking heart  
I held love you from the start  
don't you get me wrong this time  
I'm gonna make you mine o mine

Walking on the wild side...

I'm just an honest working man

Walking on the wild side...
