

# Fame Factory, When I Become Me - Anders

I will make you see stars far beyond the sun in ---- if only you could see if i only had the time that I would be yes I would be.

Ref: I'm the greatest of them all the loser standing small cause you just wait and see watch when I become me just --- then before you couldn't ask for more I'm all I want to be I'm all that you can see.

I still wonder where you are faith it didn't take us far I never had a chance to show you how I am if only you were here then I would be yes I would be.

Ref: I'm the greatest of them all.....

ooh I never felt this good about myself look at me how I shine you never knew to much about me never seen this side of me this is me look at me.

Ref: I'm the greatest of them all.....
