

# Fame Factory, Wherever You Go

I keep on falling you, can't fall in love  
In someone else  
Your'e the one for me  
Come save, please save me  
Don't change my life

Wherever you go, I'll be there  
Whatever you say, I will stay  
Everybody makes mistakes but don't you worry 'cause lean on me

I can't sleap, it's too late  
I have no self control  
Fame don't care when I have you  
So joyfull, excited I'm about to break out

Wherever you go, I'll be there  
Whatever you say, I will stay  
Everybody makes mistakes but don't you worry 'cause lean on me  
Wherever you go, I'll be there  
Whatever you say, I will stay  
Everybody makes mistakes but don't you worry 'cause lean on me

oh oh oh  
Don't realese me, don't let me go  
I want to be with you

Wherever you go, I'll be there  
Whatever you say, I will stay  
Everybody makes mistakes but don't you worry 'cause lean on me  
Wherever you go, I'll be there  
Whatever you say, I will stay  
Everybody makes mistakes but don't you worry 'cause lean on me  
Wherever you go, I'll be there  
Whatever you say, I will stay  
Everybody makes mistakes but don't you worry 'cause they don't mean
