

Fame Factory, Who I Am Inside

"Look at me,
you may think you see who I really am,
but you'll never know me,
everyday it says if I play a part,
now I see,
if I wear a mask I can fool the world,
but I can not fool my heart,

who is this girl I see,
staring straight back at me,
when will my reflection show,
who I am inside,

I am now,
in a world where I have to hide my heart and what I believe in,
but somehow,
I will show the world what's inside my heart,
and be left for who I am,

who is this girl I see,
staring straight back at me,
Why is my reflection someone I don't know,
and must I pretend that I'm,
someone else for all time,
when will my reflection show,
who I am inside,

there's a heart that must be free to fly
that burns with a need to know the reason why
why must we all conceal what we think and how we feel
must there be a secret me unforced to hide,
I won't pretend that I'm someone else for all time
when will my reflection show who I am inside
when will my reflection show who I am inside
