

# Familiar 48, I Know

Take away my fears  
Just so I can face another day  
Wash away my tears  
And tell me everything's gonna be ok  
Would you lie to me  
Would you cover up my eyes  
Would you tell me so I'm not so surprised  
I wish you'd shelter me  
I wish you'd bring me in again  
But I know inside that I've reached the end  
And I know  
You can not forgive me now  
And I know  
The hardest part is getting by  
And I know  
There's no way to change this now  
This time I already know.  
Understand how I feel  
Losing you has taken me away  
And my mistake  
That I deal with  
I deal with time and over time again  
Would you lie to me  
Did you cover up these eyes  
Would you tell me so I'm not so surprised  
I wish you'd shelter me  
I wish you'd bring me in again  
But I know inside that I've reached the end  
And I know  
You cannot forgive me now  
And I know  
The hardest part is getting by  
And I know  
There's no way to change this now  
This time I already know
