

Familiar Faces, Happy Birthday

Just look at u now
Your all grown up
Ready to go out into the this world
You're like a flower
That's blossomed in the morning sun
This is your special day
No one can have it or take it away
Ohh..

One in every 365 days of the year
We want to wish you happy birthday and many more my dear
Happy birthday
Happy birthday
Happy birthday to you
2 (x)
too you.
