

# Family Force 5, Master Of Disguise

I hear your boyfriends jealous  
sweating at the neck, and a little bit nervous  
there's nothing wrong with having some fun  
i betcha he's thinking it's love on the run.  
no more, so push-push and shove ya?  
but you can't help it that you want me so much-a.  
He's gonna have to face the facts  
once you're with me there's no turning -  
back stage and behind the scenes, i can't change so naturally

It's not, my fault - that i'm so good looking,  
and it's not my fault - that i've got something cooking,  
and just look into these eyes  
to let you know that - i'm the master of disguise, i am the master of disguise.  
(Master of disguise.)

Everybody knows when i drop its like the H-bomb  
make you lose your breath, and then some.  
Take a picture cause it wont last long,  
i change my face like a chameleon  
chamele-order up, our relationship goes?  
you know it's all part of the show, because -

It's not, my fault - that i'm so good looking  
and it's not my fault - that i've got something cooking  
and just look into these eyes  
to let you know that - i'm the master of disguise, i am the master of disguise.

it's not, my fault - that i'm so good looking  
and it's not my fault  
it's not my fault - that i've got something cooking  
and i'm the master of disguise.

it's not, my fault - that i'm so good looking  
and it's not my fault - that i've got something cooking  
and just look into these eyes  
to let you know that - i'm the master of disguise (i am the master of disguise).

it's not, my fault - that i'm so good looking  
and it's not my fault - that i've got something cooking  
and just look into these eyes  
to let you know that - i'm the master of disguise (i am the master disguise).

(im the master of disguise)  
it's not, my fault - that i'm so good looking  
(im the master of disguise)  
and it's not my fault - that i've got something cooking and..  
(im the master of disguise)  
it's not, my fault - that i'm so good looking  
(im the master of disguise)  
and it's not my fault - that i've got something cooking and..
