

# Family Force 5, Replace Me

My batteries died sometime ago  
Got a heart shaped box where they must go  
Corrosion's building everyday  
My flesh is leading me astray  
That's why I started to decay and I will  
Slowly rot away but I can't feel that anyway

This heart it wants to beat  
These lungs they want to breathe  
These eyes they want to see  
Got a mouth that wants to sing

Desperation  
Needing You  
Every last breath  
I scream for You  
Shatter me into a million pieces  
Make me new

Crush me, tear me, break me, mold me  
Make me what You want me to be  
I am Yours for You to use  
Oh, take and replace me with You

Needing more than just a jump start to get me through  
My disconnection is now the issue

I miss my first love bad and it's driving me mad  
Just like a mixed up crazy person out of his head  
It's been a long long time I've been on the decline  
I do an about face so I can be replaced 180

This heart it wants to beat  
These lungs they want to breathe  
These eyes they want to see  
Got a mouth that wants to sing

Desperation  
Needing You  
Every last breath  
I scream for You  
Shatter me into a million pieces  
Make me new

Crush me, tear me, break me, mold me  
Make me what You want me to be
