

Fancy, Slice Me Nice

My body's burning like a flame that's blue
It's time for action and I want it from you
Slice me nice, slice me nice
My heart is beating to the rhythm of love
I need you baby like cold hands need a glove
Slice me nice, slice me nice
I'm like a cake that wants to be baked
I'm like a pie made for hungry guys
My body's burning like a flame that's blue
It's time for action baby, cut me in two
Slice me nice, slice me nice
S L I C E, slice me nice
S L I C E, slice me nice
S L I C E, slice me nice
S L I C E, slice me nice
