

Fang, Suck And Fuck

I want it now, I need it in
Spread your legs and let me stab it in
Just tell me the truth
You just fuck this shit
Let's just suck and fuck
And tell me that you love
Call me up and tell me that you love me
Just call me up and say you want to fuck me
Just tell me the truth
Please don't hold a grudge
Lets just suck and fuck and I'll feel better
