

Fanny Pack, Do It To It

Get up and do it to it (X2)

Those other girls can't touch this
You boys can't get with us
We're the greatest by far
That's why we're celebrity stars
We don't pay for clothes
They give us stuff for free
I would never wear those
All eyes on me

Get up and do it to it (X2)

Yeah I gave you a chance
You tried to holler
You so broke
Asked if you could borrow a dollar
This punk had some nerve
He tried to play me yo
It gets me so heated
For real though

Repeat Chorus

Out on the floor
Up in the place
Shake what you got ya'll
Kick that kick that kick that bass
Out on the floor
Up in the place
Shake what you got ya'll
Kick that kick that kick that bass

Repeat Chorus
