

Fanny Pack, Nu Nu (Yeah Yeah)

Push up to you
ready to do you
then play it off like i thought i knew you
whats up boy
whats yo name

whats the time
i'm gonna go and get this freak
peeka boo can i take a peek
saw you walking down the street
you looked so fine i had to meet
you for a drink at the cafe

come for a ride boy i wont bite
unless you ask me reall polite

when i saw him
walking down the street
he looked so fine
i just had to meet
i asked his name
does he wanna play
as we walked
all that i could say was

mmm hmmm yeah yeah

i know you feelin me
and boy i feel you too
you joke and laugh with me
and call me your boo
walk me to the J train
almost every day
when we're together
all that I can say is

mmm hmmm yeah yeah

oh yeah god damn

hey now lay down
now its time to play now
on boardwalk and park place
all up in each others face
i know you shy but its alright
as long as you keep that body tight
now dont you worry bout a thing

just wanna shout it from the roofs
