

# Fantasia Barrino, Selfish

[Intro Missy Elliott:]

I dont need anybody else

But you

Come on

[weird voice]

[Fantasia:]

[verse 1]

Boy

Stop playin tricks on me

'cause when i think i found the right one

I end up lonely

So dont judge me

Before you get to know me

I dont wanna say your love

Make me your one and only

Ooh

[chorus]

Come on

I dont want nobody else

I want you to myself

You can call me selfish if you want to

I dont need nobody else

I wanna say you love

I wanna be the only one you run to

[verse 2]

My heart

Cant take another heart break

Because every time i fall deep in love

Somebody go and hurt me

So this time

There will be no mistakes

If you allow me to prove myself

Boy i can make you happy

[chorus]

I dont want nobody else

I want you to myself

You can call me selfish if you want to

I dont need nobody else

I wanna say you love

I wanna be the only one you run to

[Missy Elliott:]

Im stinzy with my man

Im stinzy with the goodies

If you think my style fly then check the way i boogie

This one tough cookie

My girl told the hotties ??

Will approve any chic that walks up to my man

Never understand my man be my man

I shut the game down

This dude is mine now

Bring it to the ring

K yo won one round

Miss demeanor and fantasia with the break down

[Fantasia:]

I want to be the only one

The only one that you run to  
I sure dont need nobody else  
Your the one your the one your the one your the one  
I wanna be  
I want to be the only one  
The only one that you run to  
I sure dont need nobody else  
Your the one your the one your the one your the one

[chorus]  
Come on  
I dont want nobody else  
I want you to myself  
You can call me selfish if you want to  
I dont need nobody else  
I wanna say you love  
I wanna be the only one you run to
